We pride ourselves on GREAT coffee.
Why not have a latte or espresso to keep
you going for the rest of the day.

We hope that you will enjoy our bar menu, where, as ever we have sourced the very best locally grown and reared produce wherever possible.

Should you wish a wider choice, our Specials Board is located over the fireplace in the front bar.

*For our younger customers we also offer our
"Young Diggers' Menu"
Please ask a member of staff*

A selection of homemade puddings and Langage Farm ice creams are available from the pudding board. For younger customers we now offer a selection of Langage Farm ice cream in mini tubs just like at the cinema.

A member of the team will be happy to bring the puddings board to your table

We also offer a full range of speciality coffees as well as cafetieres and pots of tea, all of which are supplied under the Fair Trade scheme.
