***Our philosophy....***

*We run a relaxed pub with an emphasis on good food and drink and we welcome all—whether for a drink, coffee or lunch/dinner. Our bar staff normally take your food and drink order at the bar, but for larger tables we can come and take your order at the table if you wish.*

*We aim to offer simple, fresh food using locally sourced ingredients. We use English and West Country produce wherever possible. Our pork is from Kenniford Farm 1.5 miles down the road. Most of our vegetables are grown in the West Country which amounts to about as few food miles as you can get. We are committed to supporting good husbandry buying organic produce if available. For those customers with food allergies (e.g. wheat/dairy) please ask at the bar and our chefs will be happy to offer alternatives/suggestions for your meal.*

*To make the most of such well sourced ingredients we cook all dishes to order and as such there can sometimes be a wait on food arriving at your table—depending on your choices. Our staff will keep you informed of approximate waiting times when you order your food.*

*We are passionate about our pub. All the team at The Digger's strive to ensure that your visit to us is all you could wish from a great country pub.*

**We hope that you will enjoy our 'Young Diggers' Menu', where, as ever we have sourced the very best locally grown and reared produce wherever possible.**

**We now offer Langage Farm ice cream in minitubs just like at the cinema.**

**A member of the team will be happy to bring you the puddings board if you want something other than ice cream.**

**We also offer hot chocolate for when the grown ups have coffee!!**

**Please ask a member of staff if you would like milk or baby food warmed for you.**

**Baby changing facilities are available in the restaurant area.**

**Highchairs are available from bar staff on request.**
